NOTICE ON HYBRID PUBLIC MEETINGS

This meeting is a hybrid meeting, which means that some or all of the public body is meeting remotely and some are meeting physically in a previously noticed location where the public may attend to observe, listen, and participate contemporaneously. One member of this public body or other staff is present at the location to ensure the public can participate, if desired.

Please note that while we will strive to provide means for those attending remotely to participate in the public comment period, there may be technical difficulties or reasons that otherwise prevent or interrupt remote public participation. Therefore, it is important to note that the Open Meeting Law only ensures the public's right to participate and comment, at a public meeting by attending at the designated physical location as posted in the notice and agenda.
